

Test Execution

Test Execution – SauceDemo

Project: SauceDemo

Tester: Sara Fira

Execution type: Manual testing

Execution Summary

Metric	Result
Total test scenarios	30
Total test cases	56
Executed test cases	56
Passed	56
Failed	0
Blocked	0
Not tested	0

1. Login Execution

Scenario ID	Test Case ID	Test Case	Status	Actual Result
SC-LOG-001	TC-LOG-001	Verify login with valid credentials	Passed	User logged in successfully and was redirected to the Products page.
SC-LOG-002	TC-LOG-002	Verify login with invalid username	Passed	Error message was displayed

				and user was not logged in.
SC-LOG-002	TC-LOG-003	Verify login with invalid password	Passed	Error message was displayed and user was not logged in.
SC-LOG-003	TC-LOG-004	Verify login with empty username field	Passed	Error message was displayed for missing username.
SC-LOG-003	TC-LOG-005	Verify login with empty password field	Passed	Error message was displayed for missing password.
SC-LOG-003	TC-LOG-006	Verify login with both fields empty	Passed	Error message was displayed and user was not logged in.
SC-LOG-004	TC-LOG-007	Verify login with locked out user	Passed	Locked out user could not log in and relevant error message

				was displayed.
SC-LOG-002	TC-LOG-008	Verify error message after failed login	Passed	Error message was displayed correctly after failed login attempt.
SC-LOG-002	TC-LOG-009	Verify error message can be closed	Passed	Error message was closed after clicking the close icon.
SC-LOG-005	TC-LOG-010	Verify logout functionality	Passed	User logged out successfully and was redirected to the login page.

2. Products Page Execution

Scenario ID	Test Case ID	Test Case	Status	Actual Result
SC-PRD-001	TC-PRD-001	Verify products page loads after successful login	Passed	Products page loaded successfully after login.

SC-PRD-002	TC-PRD-002	Verify product names are displayed correctly	Passed	Product names were visible and displayed correctly.
SC-PRD-002	TC-PRD-003	Verify product prices are displayed correctly	Passed	Product prices were visible and displayed in the correct format.
SC-PRD-002	TC-PRD-004	Verify product images are displayed correctly	Passed	Product images were visible on the Products page.
SC-PRD-003	TC-PRD-005	Verify product details page opens correctly	Passed	Product details page opened after selecting a product.
SC-PRD-004	TC-PRD-006	Verify user can return from product details to products list	Passed	User returned successfully from product details page to the Products list.
SC-PRD-005	TC-PRD-007	Verify sorting by name A to Z	Passed	Products were sorted correctly by name from A to Z.

SC-PRD-005	TC-PRD-008	Verify sorting by name Z to A	Passed	Products were sorted correctly by name from Z to A.
SC-PRD-005	TC-PRD-009	Verify sorting by price low to high	Passed	Products were sorted correctly by price from low to high.
SC-PRD-005	TC-PRD-010	Verify sorting by price high to low	Passed	Products were sorted correctly by price from high to low.

3. Cart Execution

Scenario ID	Test Case ID	Test Case	Status	Actual Result
SC-CART-001	TC-CART-001	Verify user can add one product to cart	Passed	One product was added to the cart successfully.
SC-CART-003	TC-CART-002	Verify cart badge updates after adding product	Passed	Cart badge updated correctly after adding a product.
SC-CART-002	TC-CART-003	Verify user can add multiple products to cart	Passed	Multiple products were added to the cart successfully.

SC-CART-004	TC-CART-004	Verify user can remove product from products page	Passed	Product was removed from the Products page and cart badge updated correctly.
SC-CART-004	TC-CART-005	Verify user can remove product from cart page	Passed	Product was removed successfully from the cart page.
SC-CART-005	TC-CART-006	Verify cart page displays selected products correctly	Passed	Cart page displayed selected products correctly.
SC-CART-005	TC-CART-007	Verify product name and price in cart match products page	Passed	Product name and price in the cart matched the Products page.
SC-CART-005	TC-CART-008	Verify user can continue shopping from cart	Passed	User returned from cart to the Products page after clicking Continue Shopping.

SC-CART-005	TC-CART-009	Verify empty cart behavior	Passed	Empty cart was displayed correctly when no products were added.
SC-CART-006	TC-CART-010	Verify cart content remains after page refresh	Passed	Cart content remained visible after refreshing the page.

4. Checkout Execution

Scenario ID	Test Case ID	Test Case	Status	Actual Result
SC-CHK-001	TC-CHK-001	Verify checkout can be started from cart	Passed	Checkout can be started from cart.
SC-CHK-002	TC-CHK-002	Verify checkout form is displayed correctly	Passed	Checkout form is displayed correctly.
SC-CHK-002	TC-CHK-003	Verify checkout with valid first name, last name and postal code	Passed	Checkout is complete with valid credentials.
SC-CHK-002	TC-CHK-004	Verify checkout	Passed	Error message

		with empty first name		was displayed correctly.
SC-CHK-002	TC-CHK-005	Verify checkout with empty last name	Passed	Error message was displayed correctly.
SC-CHK-002	TC-CHK-006	Verify checkout with empty postal code	Passed	Error message was displayed correctly.
SC-CHK-002	TC-CHK-007	Verify checkout error messages are displayed correctly	Passed	Error messages are displayed correctly.
SC-CHK-002	TC-CHK-008	Verify checkout can be cancelled	Passed	Checkout can be cancelled.
SC-CHK-003	TC-CHK-009	Verify checkout overview displays correct products	Passed	Checkout overview displays correct products.
SC-CHK-003	TC-CHK-010	Verify item total is calculated correctly	Passed	Item total is calculated correctly.
SC-CHK-003	TC-CHK-011	Verify tax is displayed	Passed	Tax is displayed.

SC-CHK-003	TC-CHK-012	Verify final total is calculated correctly	Passed	Final total is calculated correctly.
SC-CHK-004	TC-CHK-013	Verify order can be completed successfully	Passed	Order completed successfully.
SC-CHK-005	TC-CHK-014	Verify confirmation message after successful order	Passed	Correct confirmation message is displayed after successful order.

5. Navigation & Session Execution

Scenario ID	Test Case ID	Test Case	Status	Actual Result
SC-NAV-001	TC-NAV-001	Verify side menu opens correctly	Passed	Side menu opens correctly.
SC-NAV-001	TC-NAV-002	Verify side menu closes correctly	Passed	Side menu closes correctly.
SC-NAV-002	TC-NAV-003	Verify “All Items” link redirects to products page	Passed	“All Items” link redirects to products page.
SC-NAV-002	TC-NAV-004	Verify “About” link	Passed	“About” link redirects correctly.

		redirects correctly		
SC-NAV-003	TC-NAV-005	Verify logout redirects user to login page	Passed	Logout redirects user to login page.
SC-NAV-004	TC-NAV-006	Verify user cannot access products page after logout using browser back button	Passed	No access for user.

6. Usability Execution

Scenario ID	Test Case ID	Test Case	Status	Actual Result
SC-USB-001	TC-USB-001	Verify main elements are aligned correctly on desktop	Passed	Main elements are aligned correctly on desktop.
SC-USB-002	TC-USB-002	Verify buttons are visible and readable	Passed	Buttons are visible and readable.
SC-USB-003	TC-USB-003	Verify error messages are clear and understandable	Passed	Error messages are clear and understandable.

SC-USB-004	TC-USB-004	Verify form fields are labeled correctly	Passed	Form fields are labeled correctly.
SC-USB-005	TC-USB-005	Verify layout remains usable on smaller browser width	Passed	Layout remains usable on smaller browser width.
SC-USB-005	TC-USB-006	Verify important actions are easy to identify	Passed	Important actions are easy to identify.
